From Grand Rapids (Northeast of Holland):

Follow I-196 West to the Zeeland Exit (Business I-196.) This exit will include Zeeland and the State Park; follow Business I-196 to US 31 North; follow US 31 north to Port Sheldon Rd (5-7miles) turn right on Port Sheldon. The Education Services Bldg. will be the second building on the north side of the road. Go to the second entrance at the East end of the building for parking.

If you are familiar and comfortable with the 'back roads', take the 44th street exit off of I-196 and it will become Port Sheldon Street. Continue on this until you get to the Ottawa Area ISD and the Educational Services Building. This building is the first building in the group of buildings. Be ready as the parking lot is on your right, just before the building.

From Lansing

From Lansing, you'll be taking I-196 towards Grand Rapids. Just before you get to Grand Rapids, take the M-6 bypass exit towards Holland. This exit is just after the Lowell exit and it saves 20 minutes and driving through Grand Rapids. Exit M-6 to the south towards Holland. Once you're on I-196 again, take the next exit, which will be for Hudsonville. Turn right (north). The road is called 32nd Ave. but it changes names and crosses Chicago Drive. Continue straight to a major intersection which is Port Sheldon. There is a Family Fare grocery store on the right, and an Amoco gas station and RiteAid Drug Store on the other corners. Turn left (west) at Port Sheldon Street. Continue on this until you get to the Ottawa Area ISD and the Educational Services Building. This building is the first building in the group of buildings. Be ready as the parking lot is on your right, just before the building. The address is 13565 Port Sheldon Street, Holland, MI 49424. If you get lost call 877-702-8600 and press 0 for operator.
